

## FP-5V-MOBILE POWER PACK

This set consists of an of USB connector and a power bank with 9000 mAh. The mobile power pack supplies all laser modules with open leads with 5V supply voltage with mobile power.

### TECHNICAL DATA USB CONNECTOR

#### USB Male to Terminal Connector

Rating voltage [VDC]	5
Rating current [Amp]	1.5
Contact resistance [mOhm]	≤ 30
Insulating resistance [MOhm/VDC]	≥ 100/500
Operating temperature [°C]	-40 - 85

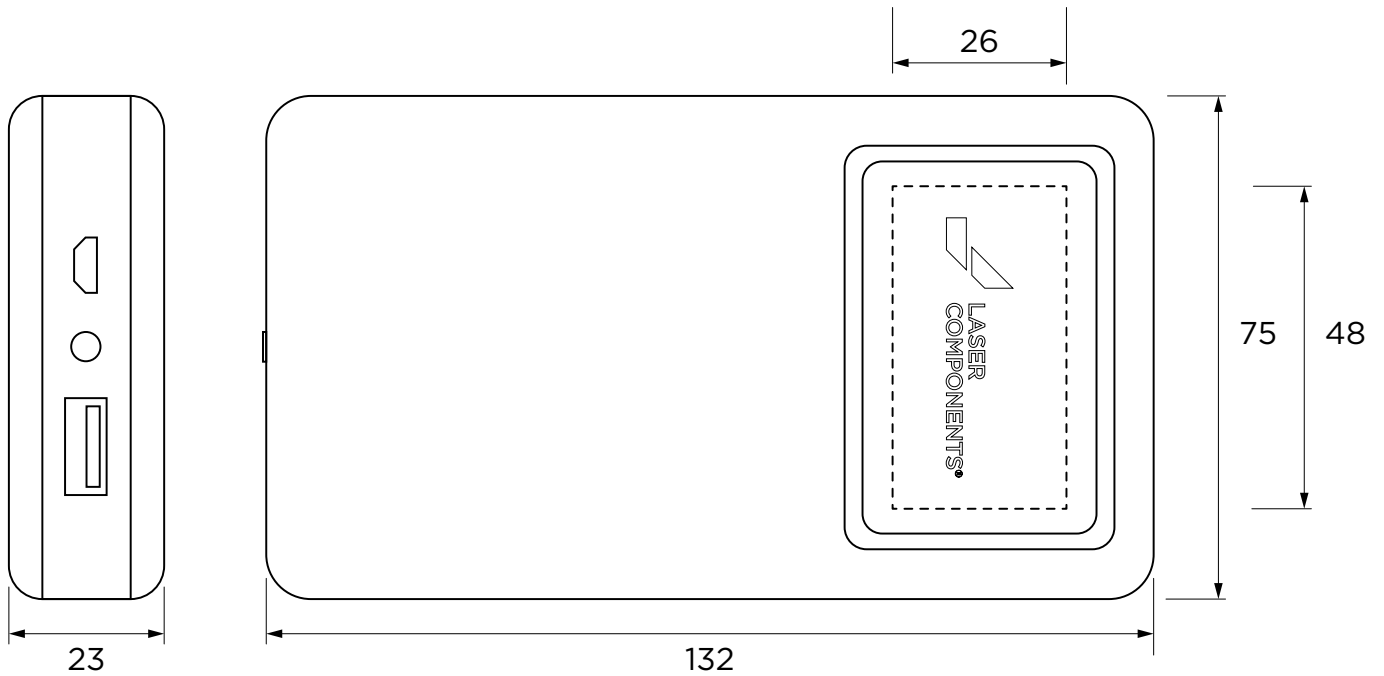

### TECHNICAL DATA LITHIUM-ION POWER PACK

#### Lithium-ion power bank with a capacity of 9,000 mAh for the mobile power supply of laser modules.

Dimensions [mm]	130 x 75 x 23
Weight [g]	250
Supply voltage [V]	12
Capacity [mAh]	9000
